Principal explained that students of our college have 3 types of problems-

1) Territorial problems.
2) Financial problems.
3) Linguistic problem.

Therefore, college should try to solve their problems by introducing –

a) Earn while you learn programme
b) Grooming sessions in the class.
c) Sending students to various competitions in other colleges to remove their inferiority complex.

➢ He also explained that college needs to conduct state level, national level seminars to inculcate the culture of research.
➢ Wednesday of every week was decided for IQAC meeting. Timing was decided as 12.00pm to conduct the meeting.
➢ Amongst best practices, college will start a one-day event whereby students will set up industries to sell out some products in the college premises, so that they learn all commerce & management concepts practically.
➢ It was also suggested that an Incubation Centre' is to be established in the college to motivate 7 support start-ups by our students. It will also help to solve financial problem of the students.
➢ Various job oriented add on courses, will be started to give training to students in a respective field. Courses like foreign language learning, beauticians' course, baking, & chocolate making, Zumba dance etc. can add value to knowledge & skills to make students work professionally.
➢ Principal allotted 7 criteria to NAAC core committee, each member getting one criterion.
