

Notice

Date :17/09/2020

Students of class TYBSc (Chemistry) SEM 5 are hereby informed that regular practical exam for academic year 2019-2020 will be conducted as per the following schedule.

Exam will be held online in form of Viva-voce.

Online Platform: Zoom app

Date	Subject	Time
19/09/20	Applied Component	3.00 pm
21/09/20	Physical Chemistry	3.00 pm
21/09/20	Analytical Chemistry	3.30 pm
22/09/20	Inorganic Chemistry	3.00 pm
22/09/20	Organic Chemistry	3.30 pm

Note:

1. Zoom meeting code will be shared daily in your Whatsapp group, if meeting ends then rejoin using same code.
2. Students should remain in waiting room, as examiner will allow each student one by one for their exam. After your exam you can leave the meeting.
3. Make sure you have a stable net connection and device ready before the exam starts. Also make sure you are present in relatively silent place.
4. Keep your Journal, calculator, pen and paper handy during the exam.
