Minor's property can be liable for	necessaries	luxury goods	for minor taking money from money lender	immovable property

Management Accounting

Question	Answer1	Answer2	Answer3	Answer4
Management accounting is ____ oriented	Future	current	present	Historical
Gross Profit less Operating expenses = _____	Non Operating Profit	Non Operating Income	Operating profit	Earnings
Rent of building is an example of _____.	COGS	Selling expenses	Financing expenses	Administrative Expense
Carriage outward is recorded under _____ expenses	Non operating expenses	Selling expenses	Revenue expenses	Capital expenses
Bank charges is an example of _____	COGS	Selling expenses	Financing expenses	Administrative Expense
Rent of warehouse is recorded under _____	COGS	Selling expenses	Financing expenses	Administrative Expense
In Trend Analysis earliest year is considered as ____ year.	Trend	Vertical	Base	Horizontal
Following is not a quick liability _____	Unclaimed Dividend	Public Deposits	Bank Overdraft	Advanced Received
The shareholders fund consist of _____	only preference capital	Only equity capital	Only reserves & surplus	all of the above
In the year 2019 and 2020, net sales is Rs.30,000 and Rs.50,000 respectively. What is the trend percentage for the year 2020?	175	170	165	167
Common size statement is also called as _____ % statement.	200	100	300	400
_____ are the methods of preparation of comparative statement.	Balance sheet	Profit and sales	Expenses and sales	Increase / Decrease, percentage

Comparative statement shows _____	one years performance	financial performance	Comparative performance	profitability performance
TDS & advance tax paid is to be shown under _____	current liabilities	net worth	current assets	long term loans
Liquid ratio is also known as _____ ratio	Current	Working capital	Stock turnover	Acid test
Current ratio is _____ ratio	balance sheet	revenue statement	composite	comparative
Loan fund does not include one of the following _____	debentures	loan	provision for taxation	public deposits
Which of the following is a income statement ratio?	net profit ratio	debtors turnover ratio	current ratio	quick ratio
Stock is a _____	quick asset	quick liability	non- quick asset	non-quick liability
Which of the following is a balance sheet ratio?	gross profit ratio	net profit ratio	stock working capital ratio	return on proprietary ratio
Debtor is a party to deal with _____	cash sales	cash purchase	credit purchase	credit sales
Creditor is a party to deal with _____	cash sales	cash purchase	credit purchase	credit sales
Net profit is Rs.2,25,000; taxes are Rs.25,000 & net worth is Rs.10,00,000; then the rate of return on shareholders' equity is _____	25%	22.50%	20%	27.50%
Total assets are Rs.15 lakhs, Current liabilities are Rs.6 lakhs & Total debts are Rs.12 lakhs; then Debt-Equity ratio is _____	[1:2]	[2:1]	[1:1.5]	[1.5:1]
For K Ltd, 9% Preference share capital is Rs.6,00,000; 12% Debentures are Rs.4,00,000 & Equity shareholders' funds are Rs.25,00,000; then Capital Gearing Ratio should be _____	60%	40%	25%	14.40%

While computing Proprietary ratio, Total assets = _____	Capital employed	Own funds + Loans - Current Liabilities	Fixed Assets + Investments + Current Assets	Fixed Assets + Investments + Working Capital
Current Ratio is 2:5. Current Liability is Rs.30000. The Net Working Capital is _____	Rs.18000	Rs.(-45000)	Rs.(-18000)	Rs.45000
_____ is the practice of bolstering and improving the current ratio through manipulation to make it appear more colourful	window dressing	manipulation	ratio analysis	trend analysis
A Ltd. & B Ltd. are having a GP ratio of 20% & 30% respectively. Higher GP ratio of B Ltd. indicates _____	low cost of production	high cost of production	high sales	high net sales
Management accounting is _____ oriented	Future	current	present	Historical

AFM

Question	Answer1	Answer2	Answer3	Answer4
The main objective of partnership firm is	earn profit	suffer loss	face challenges	bring friends together
In absence of provision in Partnership Deed, profits/losses are shared by partners in _____	in capital ratio	Equal Ratio	Sacrifice Ratio	Gain Ratio
In absence of provision in Partnership Deed, partners are entitled to receive interest on their loan @ _____ per annum	12%	6%	10%	5%
Goods lost by fire is credited to _____	Trading Account	Profit and Loss Account	Profit and Loss Appropriation Account	Partners' Capital Account

Goods withdrawn by partners for their personal use are debited to _____	Trading Account	Profit and Loss Account	Profit and Loss Appropriation Account	Partners Capital Account
All entries in P/L Account are normally	Personal Account only	Real Accounts only	Nominal Accounts only	Personal and Real Accounts
Balance sheet contains	Personal Account only	Real Accounts only	Nominal Accounts only	Personal and Real Accounts
If sales is Rs.9,00,000 and gross profit is Rs.2,50,000 then the cost of goods sold is	11,50,000	6,50,000	10,50,000	2,50,000
If the sales during preretirement period is Rs 400000 and post retirement period is Rs 600000 then the Pre-retirement period and Post-retirement period sales ratio is _____	02:03	3:5	2:5	03:02
If the value of investment made by partnership firm is Rs 12000 and the rate of investment is 5% p.a., then the amount of interest for the period of five months will be Rs _____	520	250	600	60
if the cost price of a machinery is Rs.90,000 and the accumulated depreciation is Rs.10,000 therefore the annual depreciation @10 on WDV basis is.....	9,000	8,000	10,000	12,000
If the value of trademark before writing off is Rs 310000 and the amount written off is one fifth of its value then the Net value of trademark that will reflect in Closing Balance Sheet is Rs _____	62000	24800	248000	6200
If the Total Gross Profit of the financial year is Rs 108000 and the sales ratio of Pre-death and Post-death period is 1:1	54000	10800	5400	108000

then the Gross profit transferred to Post Retirement Column of Profit and Loss Account is Rs _____				
If sundry debtors is Rs.2,20,000 , irrecoverable debts is Rs.10,000 and loss on sale of motor car is Rs.30,000 , then the net debtors is.....	1,80,000	2,10,000	1,90,000	2,30,000
If purchases is Rs.3,70,000 and it includes wages for instalation of machinery Rs.20,000 and return inward is Rs.10,000, net purchases is.....	3,50,000	4,00,000	3,60,000	3,90,000
Asset taken over by partner is _____ capital of a partner.	Added to	Deducted from	Multiplied to	Divided by
Liality taken over by partner is _____ to capital account of a partner.	Debited	Credited	Neglected	Evaded
Liability taken over by partner is _____ capital of a partner.	Added to	Deducted from	Multiplied to	Divided by
Realisation account is prepared in case of _____.	Admission	Retirement	Death	Dissolution
If an asset remains unsold it is _____.	Thrown as scrap	Distributed among the partners	Gifted to creditors	Surrendered to government
If an asset remains unsold it is distributed among the partners in _____ ratio.	Profit sharing	Capital	Equal	Drawings
Income tax payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
Salaries payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
Wages payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent

Municipal taxes payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
GST payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
Export duty payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
Import duty payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
Custom duty payable by a firm as on the date of dissolution is treated as _____ creditors.	Preferential	Fully secured	Partly secured	Contingent
Excess capital method is different from _____ method	Surplus capital	Highest relative capital	Proportionate capital	Maximum loss

Foundation Course

Question	Answer1	Answer2	Answer3	Answer4
Majority of people living in India belong to ----- religion	Hindu	Muslim	Christian	Buddhist
Any group living in India is entitled to preserve their language and culture under	Article 22	Article29	Article 31	Article 34
