For computation of profit prior to incorporation, printing & stationery expense is	treated as pre- incorporation expenditure	treated as post- incorporation expenditure	allocated in time ratio	allocated in sales ratio

FOUNDATION COURSE

Question	Answer1	Answer2	Answer3	Answer4
The Citizens' charter approach has several things in common with	LMC	TQM	PQM	RQM
Till April, 2006, Citizens' charters had been formulated by the Central Government Ministers/Depts/Organisations.	111	222	333	444
Three major national level banks were selected for the Hand-Holding exercise by the DARPG in the year	1997	1998	1999	2000
Evaluation of the functioning of the IFCs was carried out by the and the Consumer Coordination Council.	DARPG	DARG	CPFC	ICPL
IFC / May I Help You / Inquiry Counters have been set up so far by the central government organisation.	90	105	115	130
A Best Client's Charter Award was instituted in	1993	1995	1997	1999
Right to information Act was passed in the year	2002	2003	2004	2005
RTI empowers of the country and ensures their participation in democratic process	Outsiders	Citizens	Persons	Children
RTI brought transparency and in government officials	Apathy	Laziness	Lack of interest	Accountability

This was the first state to pass an RTI legislation in India	Maharashtra	Tamandu	Goa	Delhi
Under RTI, everymust maintain records in a proper format, computerised and connected through a				
network.	Employer	School	Teacher	Public Authority
Under RTI, every public authority, within one hundred days of enactment of this Act, designate	Agents	Officers	Public Information Officer	Manager
A person who desires to obtain information under RTI Act shall make a request in writing or by	Spoken words	Implied Terms	Electronically	Verbally
When was Polluter Pays Principle first formally articulated?	1973	1971	1970	1972
Someone is financially responsible for the elimination of the pollution they cause is the basis of which principle?	Human Rights Principle	Sustainability Principle	Polluter Pays Principle	Participation Principle
explains his views in the idea of " Respect for Nature".	Arne Naess	John Passmore	Paul W Taylor	Vandana Shiva
examines processes and relationship across multiple ecosystem or very large geographical areas	System ecology	Ecosystem ecology	Landscape ecology	Political ecology
links the domination of women to the domination of nature under patriarchal society	Anthropocentris m	Ecocentrism	Ecofeminism	Biocentrism
Social ecologist such as claim that deep ecology fails to link environmental crises with authoritarianism and hierarchy.	Daniel Botkin	William Grey	Murray Bookchin	Paul W Taylor

The Sustainable Development Goals (SDGs) are officially known as	Transforming our world	Regenerating our world	Saving our world	Reclaiming our world
The World Commission on environment and development is also known as the Commission	Brundtland	Bryan Norton	Arne Naess	Nicolas Hulot
Kyoto protocol was adopted in	1997	1897	2007	2017
Doha amendment to Kyoto protocol was in	2012	1897	2007	2017
Experiencing ourselves as a part of the planet earth is the basic idea of	Deep Ecology	Eco-feminism	System Ecology	Population ecology
A study examining the dynamics of population of single species	Behavioural Ecology	Eco-physiology	Population Ecology	Community Ecology
A study focuses on the interaction between species within an ecological community	Behavioural Ecology	Eco-physiology	Population Ecology	Community Ecology
A study examines processes and relationship across multiple eco systems in large geographic areas	Landscape Ecology	Ecosystem Ecology	Population Ecology	Community Ecology
The Convention on in 1992 was an important international agreement recognizing Intergenerational equity.	Ecological study	Biological survey	Biological Diversity	Equality
Some of the recently developedproducts may have unintended consequence.	technology	biotechnology	nanotechnology	parental control

	1	i	ı	
phones are increasingly used world wide.	Satellite	Mobile	Тоу	Land
Patho-biotechnology describes the exploitation of derived compounds for beneficial				
effect.	GPS	Pathogens	DNA	GSM
organisms are sprayed on strawberry and potato plants to protect from frost				
injury.	Ice-minus	Tobacco	Petrochemicals	Amino acids
devices are built from molecular components which assemble themselves chemically by principles of molecular recognition.	bottom-up	top-down	horizontal	vertical
morecular recognition.	bottom up	top down	TIOTIZOTICAL	Vertical
Powerful motors using shape memory alloys with nanoparticles made up of	Ai-Ti alloys	Mi-Ti alloys	Bi-Ti alloys	Ni-Ti alloys
GOES, type of satellites orbit km above the Earth's equator.	500	1500	35000	355000
·	Police Sub	Combined		Indian Statistical
Which of the following exam is not conducted or organized by UPSC	Inspector Examination	Défense Service Examination	Indian Economic Service	Service Examination
For the post of "Tax Assistant in CBDT & CBEC", which of the following examination will be conducted by SSC.	Combined Graduate Level Exam	Tax Assistant Examination	Junior Engineers Exam	Selection Office Exam
examination in India for Postgraduate candidates who wish to apply for admission in Ph.D. or university level teaching jobs in India.	GRC	GIC	NET	ВВА
the famous physicist is considered as the father of nano technology.	Albert Einstein	Richard Feynman	Albert Schweitzer	Ernst Haeckel

MANAGEMENT ACCOUNTING

Question	Answer1	Answer2	Answer3	Answer4
Who is responsible for accounting system and controls?	Management	Shareholders	Auditor	accountant
means all the information used by the auditor in				
arriving at the conclustion on which the auditor opinion is				
based	Audit programme	Audit control	Audit evidence	Audit paper
states that the auditor should respect the				
confidentiality of information acquired in the course of	SA 230	SA 500	SA 200	SA 300
work				

makes it compulsory to disclose the				
corresponding figure for the previous year in case of				
companies.	schedule-I	Schedule-II	Schedule-III	Schedule-VI
is an intangible assets.	inventory	cash	patents	loose tools
is using the work of Another Auditor.	SA-550	SA-600	SA-610	SA-620
showing different departments and sections				
in the organisation	Organisation chart	Organisation table	Organisation map	Name block
shows the details of royalty to be received	Expenses statement	Income statement	Royalty Agreement	Any statement
Arrears of preference dividend is a	long term liability	contingent	fictitious liability	fixed liability
Afficults of preference dividend is a	long term naomity	Паотту	neurous naomity	inxed nationity
Audit has been derived from the Latin word which means to hear'.	Audire	Audi	Verfiication	Examination
Audit of bank is an example of	continous audit	final audit	statutory audit	non statutory audit
Audit plan should be based on client's	Profits	Business	Networth	Reputation
Audit Plan should be primarily based on knowledge of the	Client accounting system	Client goals	Client business	Client Culture

	I	T		
Audit programme should be	Oral	Flexible	Hand written	Rigid
Audit sampling mean the of audit procedure .	Allotment	Application	Accountability	Acceptance
Audit Working papers are the property of the	Auditor	Client	Director	Government
Bank reconciliation statement is not to check the books of account .	Payment	Statement	Operation	Transaction
Current investments are held for	not more than one year	not more than 3 years		not more than 5 years
Detect material error is	Auditor is responsible	management is responsible	Both are responsible	neither are responsible
Examination of Sr. No. of the voucher enables the auditor to know that	The transaction is valid	the entry is correct	there are transactions taken place	there is no missing vouchers
Fixed assets are valued at	cost	market value		cost or market value whichever is more
For disclosure of furniture verify	AS10 revised	AS6	AS14	AS11
Good Internal Control system requires	effective managerial review	ineffective control	incompetent people	competent auditor
