The Entrepreneurship Cell had organised a session on the topic “Central Bank Digital Currency (CBDC). ” on the 16th of December 2022 in the Conference Room at 4:00pm.

The session was conducted by our student coordinators, Miss Rashi Mhamunkar, Miss. Shweta Nayee, and Mr. Delwin Ruzario from SYBBI class.

The points the presenters presented explained the concept so well. The illustrations helped the audience understand the topic easily. After the presentation there was a questions and answers session which were handled quite tactfully by the student coordinators. The Teacher coordinators gave their comments and recommendations to the students to further improve their presentations and take it to the next level. It was very informative experience for the students. Overall, it was a great learning experience for everyone.
