**REPORT ON: - Celebration of Diwali collaboration with Nature's Club**

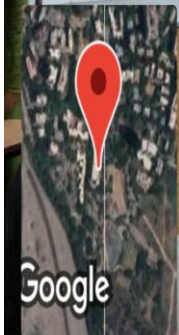

India is rich with its culture, tradition and festivals. Diwali is one such grand festival celebrated in India. So even our college took this opportunity to celebrate Diwali in a special way. This special Diwali celebration was organised on 22<sup>nd</sup> October 2022(Saturday) in the Auditorium between 11:30 am to 2.00pm. All the teachers were invited for the celebration. Cultural Committee along with Nature's club made all the arrangements. Colourful lights were lit in lobby and auditorium. The floor was decorated with flower rangoli and diyas.

The celebration started by giving some speech and then by singing songs by students and teachers. The event ended with distribution of sweets and namkeen. The event was well attended by the students, faculty and staff members in traditional attire. It was indeed a wonderful celebration.
