

## REPORT ON FRESHERS' PARTY EVENT 21-22

### ORGANISED BY CULTURAL COMMITTEE

Even this year saw the Fresher's Party online. The First-Year college students were welcomed to be a part of the VPM Degree College family in a refreshing manner by their seniors and the staff on 25 th Oct,2021.

YouTube Live session was aimed at the entire family coming together and sharing the happiness. It saw contributions from the First-Year students. It was an effort to make them feel at home and bring out their talents right from their inception.

The First Year students would surely treasure those moments.
