

IPR laws webinar Report –

A webinar on IPR laws was organized by IQAC of the college in collaboration with Commerce and Management department on 23rd January 2021, between 4pm and 5.45pm, on google meet platform.

Ms. Hitika from Tybms class welcomed all the participants. The IQAC head Mrs. Shruti S. gave inaugural address stating importance of awareness regarding IPR laws. Ms. Vinaya Naik, Tybcom (A), gave introduction of the guest, Advocate Mrs. Hemangi Naik, senior legal professional. The guest speaker addressed audience on IPR laws, in detail with an effective power point presentation. She explained the features of each component of intellectual properties, along with the procedure for registration under respective laws.

100 participants including students, teachers attended the session with grace. They interacted with the speaker at the end of the session, in question - answer round. Mrs. Shruti S. proposed vote of thanks, expressing gratitude towards the speaker, management, principal, vice principals, teachers, organizing members and audience. The session left prints of knowledge and respect in the minds of audience.

Glances of the session –

The screenshot shows a Google Meet window with a presentation slide titled "SALIENT FEATURES". The slide content is as follows:

- It is a professional service of creating and developing concepts and specifications that optimizes the function, value and appearance of products and systems for the mutual benefit of both user and manufacturer.
- They be improvements to existing products or totally new concepts, idea or innovations.
- Works of Industrial design can be seen in almost all manufactured goods including cars, televisions, coffee makers, cellular phones, furniture and computers.
