The anchors for the day were Jinat Khan (FY BAMMC) and Shreyash Mankar (TY BA). The event began with the welcoming of *Honorary Secretary Adv. Vijay Kulkarni Sir*, I/C Principal, Vice Principal and teachers and students present.

The first half of the event was about the **GROUP DISCUSSION** organized by the Social *Science Association*, where a group of students/ participants came together keeping their viewpoint on the topic that was selected - '*RIGHT TO CHANGE RELIGION*'. Each participant explained their points related to the topic. The judge for the **GROUP DISCUSSION** was *Professor Sharmishtha Saha Ma'am*. Once the discussion ended, *Kulkarni Sir* gave a little talk about Human Rights Day and *Professor Saha* addressing the event with a wonderful talk and also announcing the three winners of the **GROUP DISCUSSION**.

The second half of the event contained, *T100* with *Add-on Course* showcasing an animation video about 'self-confidence'. After that, a very important guest of the day *Vice President of ICICI Bank Ashish Sharma Sir* was welcomed and *Kulkarni Sir* gave everyone a short introduction about him. *Sharma Sir* then was felicitated by *Kulkarni Sir*. *Sharma Sir* then interacted with the students and talked with them. Before a short break, *Ashish Sharma Sir* gave prizes to the winners and participants of the **GROUP DISCUSSION**.

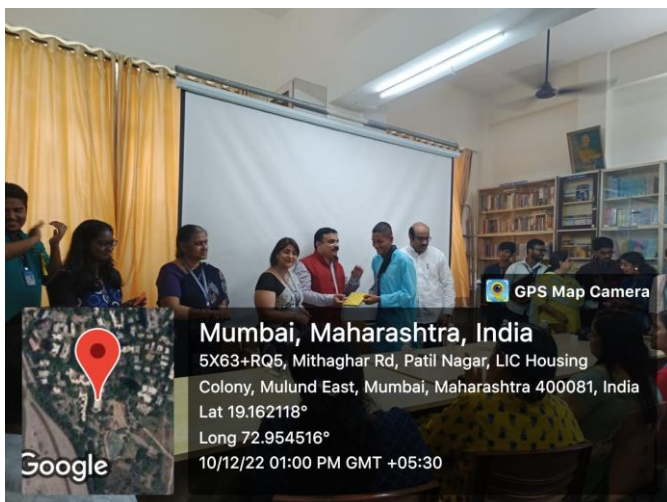

Even if the event ended, *Ashish Sharma Sir* wanted to talk with the students a little more. Everyone was shifted in room 201 and all the students had a very interesting talk with *Sharma Sir*!

Definitely everyone has '*tasted the jamun*' rather than '*just learning about a jamun*'!!
