REPORT ON ONE DAY WORKSHOP ON NTA NET / SET

Organized by Department of Computer Science and Information Technology in collaboration with IQAC

Department of Computer Science and Information Technology in collaboration with IQAC organized a workshop for General paper-1 and Computer Science-Paper-II for NET and SET aspirants on 19th March 2023. The event was graced by Incharge Principal Dr. Kavita Sharma, Vice-Principal Anjaneeka Uday, Vice Principal Dr. Barkha Shamnani, College Incharge Adv. Vijay Kulkarni, IQAC Coordinator Mrs. Rajashree Prabhu, HOD of IT & CS Dept. Mr. Vilas Mahajan.

According to the University Grants Commission (UGC) the passing of the National Eligibility Test (NET) / State Eligibility Test (SET) is mandatory for aspirants wanting to join the teaching fraternity in senior college. But the task of clearing this exam is a daunting one. NET is the gateway to lectureship or for joining the research fellowship in colleges. Out of lakhs of students who appear every year, only thousands clear NET. To equip these aspirants with the right methodology to study and crack these exams was the motive behind organizing this workshop.

The resource persons for the workshop were Ms. Kanwalpreet Kaur Puri for Paper I and Dr. Parag Anil Tamhankar for Paper II.

Total number of participants:

For Paper I : 29

For Paper II (COMPUTER SCIENCE AND APPLICATIONS) : 13
