Some valuable pointers given by the speaker to the students were:

For getting into business, one must expect fluctuation in income.

Vision, Mission is very important, and one should be clear about it.

He also suggested one book to read i.e. The Magic of Thinking Big by David Schwartz

Diversification in business is necessary.

Taking calculated risk.

Entrepreneur should learn to accept failures.

Patience is important factor.

Business should be principally and ethically correct.

It was interactive session. And Seminar ended by and informative Question Answer Session.
