Report on the

'German Language Workshop'

Date : 15th June, 2022

Venue : College seminar room, second floor

The way to connect to someone is through words and by your deeds. By words, meaning showing empathy towards someone and understanding them at the level that the language doesn't become a barrier, this is a highly appreciated task today in the world of globalization.

As we all know, exposure to diverse languages and cultures is a critical component of quality education and the benefits of learning a new language are innumerable in the professional world. Candidates who are multilingual are highly valuable in MNCs because a large portion of the job depends on interacting with people of different areas on the globe and at such time, someone who is proficient in speaking the native languages of the people will have high chance of selection as compared to someone who is not aware know about a particular language in general. Thus, as the need for multilingual employees in organizations increases, the people directly tends to learn a new language as it becomes a necessity to secure a reputed job position in a renowned company. So, rather than waiting until it becomes a necessity and wasting your important progressive years over it when you could have learnt it back in the college days and would have secured a job directly today in an organization. Keeping the same idea in mind, **VPM'S RZ SHAH COLLEGE in collaboration with THE LANGUAGE HUB**, conducted a workshop.

The workshop was about German language course and how it is beneficial in regards to future progressing society. The workshop began with Rachith Poojary, the speaker of the event; addressing the guests and our Principal, Vice Principal. The event moved ahead with a speech by our I/C Principal, Dr. Kavita Sharma where she motivated the students with her energetic words. Continued by a few words of enlightenment by our Vice Principal Mrs. Anjaneeka Uday.

The workshop carried on by introducing the main speaker of the programme **Mrs Pratiksha Singh**. She is a foreign language teacher with full fluency in German language. She prepares the necessary lesson plans for kids as well as working professionals. She is a trainer in German Language and has a 12+ years of experience.

The main speaker of the workshop shared detailed information about the course, its duration, learning structure and why it is useful. As mentioned above, she listed the advantages of learning a new language and how it is beneficial with regards to not only career but with the future advancements, the detailed description was shared by the German trainer, Mrs Pratiksha Singh.

She also shared complete and detailed information about the syllabus that

would be taught in this course. And the levels involved in the course were also explained by her.

The workshop moved ahead with a quick warm up session where the trainer introduced few phrases and numbers in German Language. The students of SY and TY along with the Principal, Vice Principal and teachers attended the workshop and made an active participation in the same.

It was 1 hour and 30 minutes of session and thus the workshop wrapped up with the trainer highlighting the significance of learning foreign language and why and how Spanish Language has an increasing high demand in working and professional life not only today but in future too.

The workshop concluded with Vote of thanks by a student where they thanked Mrs Pratiksha Singh for her enlightening session, teachers Principal, Vice Principal and also the active participator of the session, the students.
