Description of the Event	The DLLE Committee proudly organized an inspiring event titled "Raksha Bandhan with Real Heroes," which saw active participation from both male and female students. This special occasion allowed students to honor real-life heroes by tying rakhis to individuals who make significant contributions to our community, including police officers, army soldiers, traffic police personnel, auto drivers, and our college watchman. The event was met with enthusiasm and joy as students expressed their gratitude and respect for these everyday heroes. It was a meaningful celebration that effectively bridged the gap between tradition and the dedication of these essential community members, fostering a sense of unity and appreciation among all participants.
