## Annual Report Academic Year 2024-25

The Annual Report 2024–25 highlights a year marked by academic excellence, innovation, and comprehensive development. Building on our legacy of quality education, the institution made significant strides in teaching, research, infrastructure, placements, and community engagement.

Faculty members contributed through impactful teaching, research, and active academic participation, while students excelled in academics, co-curricular activities, and creative pursuits. The report reflects our ongoing commitment to nurturing responsible, future-ready professionals and reaffirms our progress towards the institution's vision and mission.
