A vibrant, futuristic space scene. In the upper left, a large, detailed spaceship with a complex, multi-segmented design floats against a dark, starry background. Below it, a smaller, boxy spacecraft is visible. In the center, a large, glowing purple planet with a bright white ring of light around its equator dominates the view. To the right of the planet, a rocket ship is shown in profile, moving away from the viewer and leaving a long, bright white trail of exhaust. The background is a deep red and purple nebula or star field, with a bright, glowing light source in the upper left corner.
