Training and Placement Cell aims to provide maximum placement to the students through dedication. The T&P Cell facilitates the process of placement of students passing from institute besides collaborating with leading organizations and institutes in setting up of internship and training programs. The T&P Cell also liaises with various industrial establishments, corporate houses which conduct campus interviews and select graduate students from all disciplines. It mainly focuses on Career Planning, Personality Development Industry- Institute Interaction, off site Training, Industrial Visits, and Campus Placements. The Cell also helps students to develop Communication skill and English fluency by organising various activities like Group Discussions, Mock Interviews, and Aptitude test etc. It has organized the "Placement Week" for the final year students, in which various sessions were held to groom student's skills and personality.
