

Placement Cell Report for the Year 2018-2019

The Placement Cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college. To facilitate this objective, a '**Placement Awareness Programme**' was conducted, under which, the Placement representatives visited each class of the B.Com, Banking & Insurance, BSc IT, BSC CS, BA,BAF and BMS classes to give a short presentation on the Placement Cell and its planned activities for the current year, replete with a timeline. This ensured that the students were well informed about the placement activities of the college and their part in it.
